

# CLAVICHORD SALE

Clavichord by Karin Richter 1986, after J.J. Bodechtel c.1790

**Range:** C – f3, diatonically fretted from e-flat

**Dimensions:** 1330 x 370 x 140mm

**Casework** of softwood. **Natural keys** covered in plum, **sharps** in ebony.

Brass stringing throughout, covered strings in the bass

This clavichord has a bright clear sound throughout its compass and the keys are well balanced, which makes it easy to play.

It has been made for **Paul Simmonds** and was used for numerous concerts and recordings by him and others including **Gustav Leonhardt** and **Christopher Kite**.

It can be heard on the CD “German music for Clavichord” by Paul Simmonds.

The clavichord comes with a purpose made table-stand (not by Karin Richter), and a high quality padded all-round **cover** by Savage and Hoy.

**Price** and further details on request
